**Dear Veteran:**

**We are pleased to announce that the South Bexar Outpatient Clinic (SBOPC) will be moving from 1055 Ada Street to its new location in the Las Palmas Professional Center:**

**New Address & Phone Number Effective August 4, 2009**

**South Bexar Outpatient Clinic  
4610 East Southcross Blvd.  
Suite 100  
San Antonio, Texas 78222  
Phone: (210) 648-1491  
(map on reverse side)**

**The new, expanded SBOPC will provide primary care, mental health, social work and laboratory services by appointment Monday through Friday, excluding Federal holidays. Your assigned provider will not change as all providers located at the current location will be moving to the new location.**

**SBOPC will be closed Thursday, July 30, 2009 through Monday, August 3, 2009 to afford us the opportunity to transfer operations to the new location. The new clinic will open Tuesday, August 4, 2009. During the transition period, when the clinic is closed, we have established two temporary telephone numbers for your convenience. For any medical related concerns or medication needs call the telephone triage nurse at 210-699-2192 and if you are in need of appointment call 210-699-2100, extension 65083. In case of an emergency please go to the nearest emergency room or call 911.**

**We look forward to providing you exceptional patient care at our new clinic. If you have any questions or concerns, please contact Ronald Sharpe, Administrative Officer, FTOPC/SBOPC at 210-699-2124.**

**ARACELI REVOTE, MD  
Chief of Staff, FTOPC/SBOPC**

**New Address & Phone Number Effective August 4, 2009**
